

# Back to Hogwarts Part 1

13 August 2019

## INTRO

### CONSTANCE

Harry, a lot of our volunteers have been finding Foundables from your office. Why would that be?

### HARRY

Because the Calamity hates me? Seriously, it probably has to do with that recent article in The Prophet.

### CONSTANCE

The one with your picture? That praised your work for the SOS Task Force?

### HARRY

Yes, Hermione has a theory that the Calamity seems to choose Foundables based on public perception.

### CONSTANCE

Sounds to me like you need to stay clear of the papers.

## BRILLIANT GOLDEN SNITCH

### HARRY

Well, I'm glad that particular Snitch got returned. I've always held onto it for some reason.

## HOGWARTS HEROES DAILY PROPHET

### HARRY

The Prophet has been having a go at the Ministry for our handling of the Calamity, and sometimes I wonder if they aren't right. Problem is, I can't for the life of me think of anything more we can manage.

## HARRY'S MINISTRY ID CARD

### HARRY

The Calamity is stealing such mundane things, there's no rhyme or reason to it. Even if we could manipulate it intentionally, to what end?

## LONDON FIVE PHOTOGRAPH

### HARRY

When the investigation into the disappearance of the London Five was shuttered, we stopped looking for them... "officially".

## FRAMED FAMILY PHOTO

### HARRY

That picture is from when we went on holiday. Unfortunately, with the Calamity in full swing, I'm not sure anyone is getting a holiday this summer.

## DMLE BADGE

### HARRY

My greatest ambition as a student was becoming an Auror. It's really the only career I ever considered after Hogwarts.

**END**

**HARRY**

You know what? My birthday is coming up. I think I'll take a break from the Calamity to celebrate with my family.

Dumbledore used to remind us always to try and find the light in the darkness.
